

Wildlife Action At the Columbus County Fair!

The fair was in town October 13-18th and Wildlife Action was on the scene! What a wonderful way to get Wildlife Action out into the public. This event enabled us to pass out membership applications, flyers on upcoming events and talk up our 5 points of law and future plans!

A special thanks to all the volunteers that helped man the booth over the week!! (Angelo Proia, Ann Powell, George and Allison Shuping, Rita Parker, Sylvia Patton, Sandy McGirt, John and Marsha Porter and Douglas Spivey!!!)
