

“Safety in Nature”

White Marsh Summer Day Camp

White Marsh Chapter of Wildlife Action held a 3 day camp June 12-14th at Steve's Retreat. This years theme was “Safety in Nature”. The campers learned about various things from CPR to Rabies. This years camp was a huge success and all 50 campers had a great time!! The camp was dedicated in Memory of Mrs. Annie Mae Hooks and Mrs. Maude Burns. Both ladies were very active in Wildlife Action and we appreciate their many years of service and we will miss them dearly!!

A special Thanks to all the Volunteers that helped make this years day camp a wonderful learning experience for Wildlife Action's Pioneers!!
